*Your Merit Badge schedule is subject to change. All classes will be chosen in preferred order. If a class is booked and cannot be accommodated at another time, an alternate will be used.

*Considerations to be made when selecting classes:

*Location - Use the map to determine where your classes are located. Try to keep distances short between classes. Take a class with a buddy.

*Eagle Required MB's - Summer Camps are a great place to check off those hard-to-get badges. Consider taking at least 1 to 2 Eagle Required MB's (noted with an *)
